

Regeneration is the birth, sanctification is the growth of the babe in grace.

*George Swinnock*

Be killing sin or it will be killing you.

*John Owen*

*D. M. Lloyd-Jones*

It is an abuse both of law and Gospel to pretend that its accomplishment by Christ releases believers from any obligation to it as a rule.

*John Newton*

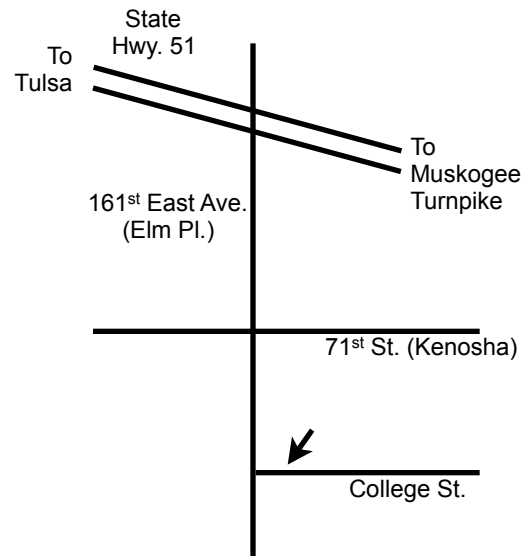

It has long been my sorrowful conviction that the standard of daily life among professing Christians in this country has been gradually falling.

The faith which has not a sanctifying influence on the character is no better than the faith of devils.

Most men hope to go to heaven when they die; but few, it may be feared, take the trouble to consider whether they would enjoy heaven if they got there.

Sin comes to us, like Judas, with a kiss.
